

Michael C. Bartol

Profile

Mike Bartol is a partner in the Intellectual Property Group. He has a wide variety of experience in several technical specialties, including biosensors and other medical devices, computer assisted surgery, engines, transmissions, orthopedic implants, chemical compositions, small molecules, injection and extrusion molding and many others. In addition to patent litigation and prosecution, Mr. Bartol assists clients with trade secret, trademark and copyright matters. He is a Registered Patent Attorney before the United States Patent and Trademark Office. Prior to entering law school, Mr. Bartol worked as an engineer for the U.S. Army in chemical warfare defense. He is also an entrepreneur, having owned and operated two businesses before becoming an attorney.
