The Bose McKinney & Evans Insurance Group is focused on addressing the needs of insurers and reinsurers. Our attorneys have the experience to help develop effective and cost-efficient strategies to address the real world issues facing insurers and reinsurers today. We have represented insurance and reinsurance clients in various segments of the industry, including life, health, disability, property and casualty, professional, and surplus lines.

Our experience includes the following:

- Coverage analysis and litigation
- Reinsurance coverage, litigation and arbitration
- Claims monitoring
- First and third-party claims defense
- Bad faith defense of insurers
- Regulatory and transactions
- Market Conduct Examinations and Preventative Audits
- Government relations
- Transportation
