Zoning

Bose McKinney & Evans' attorneys have a wide range of experience in the hospitality industry representing a variety of clients including lenders, hotel investment groups, real estate developers, bars and restaurants, micro-breweries, distillers, micro-wineries, grocery and convenience stores, specialty wine shops, and other vendors serving the industry.

Our Hospitality Group is comprised of attorneys from various disciplines who work together to create a team of experienced business advisors who handle the legal and business needs of our hospitality industry clients. We provide a variety of services to our clients such as

- Federal and state alcoholic beverage permitting
- Acquisition and sale of alcohol beverage permits
- Compliance consulting, include on-site audits and on-going mentoring
- Contract drafting, review, and negotiations
- Construction and construction litigation
- Employment, labor (union) and immigration issues
- Franchising opportunities
- Real estate and zoning
- Assistance with state and federal compliance matters
- Representation before state agencies on administrative matters
- Trademark and intellectual property issues
- Monitoring of proposed legislation impacting industry
